

For Immediate Release

**Carl Paradise Launches Indiegogo Campaign for New EP**  
*Scarborough Sessions*

**Boston — June 10, 2019** — Today Carl Paradise announced the launch of an Indiegogo campaign to fund his latest EP, *Scarborough Sessions*. The campaign is at <https://www.indiegogo.com/projects/carl-paradise-scarborough-sessions-ep#/>

"The new EP will have five great new rock songs," said Carl Paradise, the singer/songwriter/producer behind the solo album.

**Highly Anticipated Release**

Fans of Carl Paradise's previous band, Thick Blue Sky ([thickbluesky.com](http://thickbluesky.com)), have been waiting since 2015 for some new tunes, and the EP delivers. "Great stuff!" said Stan Lyness, after hearing a preview of the lead track, "Underwater." Mr. Lyness is a songwriter and co-coordinator of the Boston chapter of the Nashville Songwriting Association International ([nashvillesongwriters.com/nsai-boston-ma-chapter](http://nashvillesongwriters.com/nsai-boston-ma-chapter)).

**EP Release Scheduled for This Summer**

The *Scarborough Sessions* EP will be available in Summer 2019, with previews and digital sales via major online music services including Google Music and Apple Music. A physical CD will also be available, with distribution details coming soon.
